Format for the 2006 Year.

It was decided by the members at the November meeting, no one wanted to hold the President and Vice President positions.

An open discussion was held as to what could be done for 2006.

The consensus was that a member or a team of members would host the meeting and corresponding outing each month.

At the December meeting members picked the month that they would be hosting.

We will still need members to be a back up if need be.

Ted will still be on hand to help any way he can.

Ted and I want to Thank everyone for getting involved with the Club. This new format should keep the meeting and outing fresh and interesting.

We will not be having a booth at the 2006 GPAA Gold Show due to the poor membership return and the lack of interest in the Dredge Raffle.

Also the cost of a booth has risen to almost \$200.00

I will send out the monthly meeting and outing information when I send out the 2006 membership cards.
