Merry Christmas

SHORT AND SWEET FROM THE PREZ

I want to remind all of you that with the end of the year comes elections of new officers. Please consider contributing to this process by showing up and casting your vote at our January meeting.

We also will have a presentation by Tom (T.H.) Bohmker, a gold miner and talented author of many gold prospecting and gold mining guides. Tom usually has some of his books for sale so bring your money maybe we can talk him into signing them for us.

If you weren't at our Potluck November 29th you really missed out. We had a very nice turn out with everyone enjoying the camaraderie that comes with sharing a holiday meal with friends and family. Food was plentiful, delicious and a good time was had by all. One member even mentioned that she would come to more meetings if we had a potluck each time. Maybe we should have a few more throughout the year.

Merry Christmas and Happy New Year
